

“ Exotic island paradise ”

An exotic island off Africa's eastern seaboard where Nature is at its wildest and has fauna found nowhere else in the world.

📅 Departures:

October 2017

🌍 Cities:

Antananarivo, Mantadia National Park and Nosy Be.

📁 Categories:

Nature, Honeymoon and Exotic.

Day 1: United Kingdom - Antananarivo

Departure Flight to Antananarivo. Night on board.

Day 2: Antananarivo

Arrival at the airport serving Madagascar's Capital. Then transfer to hotel. Today we can visit the city, its old town and discover its architecture and layout. We will walk through the Capital's busy, lively streets to the historic centre. Overnight stay (only accommodation).

Day 3: Antananarivo - Andasibe Reserve

Breakfast. We will begin the trip from this part of the island. On the way, we will stop at Marozevo, specifically, at the the Peyreras Reserve, a farm breeding reptiles, amphibians, and various species of mammals. In the reserve, we will see the famous Sifaka lemur, several species of chameleons, snakes, lizards and frogs. We may also see how chameleons catch their prey with their long, sticky tongues. We arrive at Andasibe National Park at dusk and immediately take a night tour of the park to see some nocturnal animals. Overnight stay.

Day 4: Andasibe Rain Forest

Breakfast. The Andasibe-Mantadia Forest is home to 108 species of birds, 14 species of lemurs, and 84 species of amphibians. We will begin our 3-hour hike at around 7 a.m. to see the biggest lemur of them all — the famous Indri (known as the 'Babakoto' in the Madagascan language). There are various insect and reptile species to be seen as well. We explore the famous island of Vakona to get a closer look at Madagascar's exotic fauna and to snap animals from close up. Overnight stay.

Day 5: Visit to the park - Antananarivo

Breakfast. After another tour of the park to make the most of our time in the area, we leave the jungle to return to the highlands. We return to Madagascar's Capital. Once in Antananarivo, we have time to continue exploring the city. Overnight stay.

Day 6: Anantanarivo - Nosy Be

Breakfast. Transfer to airport for flight to Nosy Be. Arrival, welcome and transfer to the hotel. Rest of the day free. Overnight stay.

Day 7: Nosy Be

Breakfast. Free Day in Nosy Be, an island to the North-West of Madagascar. The islands museums and crops are well worth a visit, as are the nearby islands of Nosy Komba, Nosy Tsarabanjina, Nosy Iranja, Nosy Sakatia and Nosy Tanikely. Nosy Tsrabanjina is 40 miles from the port of Nosy Be, Tsarabanjina is one of the tropical paradises in the Mitsio archipelago. Covering some 54 acres, this island is a garden paradise set in crystal-clear waters. Nosy Tsrabanjina is relaxing and full of

tropical charm. It has incredible bird life and lush vegetation. The mountainous island is fringed by white sand beaches and ringed by a coral reef. Tsarabanjina is an island that rewards calm, thoughtful exploration. You can walk, climb the hills, and dive into a lost world amid its lush vegetation. On the peninsula from the Eastern Beach, there is the tomb of the Sakalava kings of the Mitsio islands. Today, the people of the Mitsio islands venerate this place and continue making their offerings (silver, honey, rum, and so on). Opposite Tsarabanjina, to the North-West, there are rocks where hosts of birds nest. Nosy Komba: Just opposite Hell-Ville, is the most visited island near Nosy Be. You can stroll and enjoy the tranquillity of the place. One can take a walking tour to see lemurs (whether at night or during the day), or go for a paddle in a canoe. Nosy Iranja: Two heavenly islets linked by a white sandbar. One islet houses a hotel and the other a village. Nosy Sakatia: Old fishing island, Nosy Sakatia — reserve beautiful walks and discover hidden villages.

Day 8: Nosy Be

Breakfast. Free Day.

Day 9: Nosy Be - Antananarivo - United Kingdom

Breakfast. Scheduled transfer to the airport for domestic flight to Antananarivo. Arrival and connection to the international flight. Night on board.

Day 10: United Kingdom

Arrival.
