### ALSATIAN VILLAGES

An old stone well in Kaysersberg bears an inscription that warns against drinking water and urges the reader to "Drink with moderation old and subtil wine . . . and leave the water to the side." What better words could guide you as you explore some delightful Alsatian wine villages? Though the remains of a 12th-century castle speak to Kaysersberg's strategic importance in the Middle Ages, today it is an idyllic village nestled among vineyards. Join a local guide for a one-hour walking tour, passing storybook medieval houses with steeply pitched roofs and a gorgeous Gothic cathedral that was begun by a 12th-century Holy Roman emperor. In modern days, the village is best known as the birthplace of Albert Schweitzer. During your tour of this enchanting village indulge in a tasting of an Alsatian specialty, *Kugelhopf*, a delicious yeast-based cake traditionally baked in a circular, Bundt mold. Then it is on to Eguishem. The road from Kaysersberg to Eguishem provides quintessential wine road scenery: lush foothills, famous vineyards, castle ruins, and quaint villages. You'll arrive in a town so pretty it is regularly ranked amongst the most beautiful in France. Walk its cobbled streets to admire timber-framed buildings painted in every color of the rainbow.

*Note: Lunch today will be on your own.*

### ALL ABOUT ALSACE

Step into a storybook today during a visit to the Alsatian town of Kayersberg. This tour pairs side-by-side with the adult's "Alsatian Villages" excursion, with a dedicated family guide to share fun stories about Kayersberg's history and culture just with the kids. Don't miss a local favorite treat: *Kugelhopf*, a yummy Bundt cake traditional to Alsace.

The Generations tour will break for free time at the same time as the regular “Alsatian Villages” tour, so families can shop around and enjoy lunch together.

*Only available on sailings that belong to the Generations Program.*

## DAY 3 KEHL (STRASBOURG)

See Strasbourg on foot with an insightful local expert, where this historic town with its cobbled lanes, half-timbered homes, giant stork nests, and impossible-to-resist pastry shops will win your heart. Kehl, directly across the river from Strasbourg, will be your ship’s base while you explore the Alsatian capital. If you’re feeling adventurous, take advantage of Uniworld’s bicycles or Nordic walking sticks and explore the banks of the river.

*You have the entire afternoon to see more of Strasbourg on your own.*

### PRIVATE DOKTORENHOF VINEGAR ESTATE VISIT AND TASTING

For a different spin on the Palatinate wine region, visit the Weinessiggut Doktorenhof estate for a special vinegar tasting. Yes, you read that right—a vinegar tasting. Founded by Georg Wiedemann some 30 years ago, Doktorenhof produces vinegars from premium wines, rather than inexpensive ones. Gewürztraminer, Sylvaner, Riesling, and Pinot Noir are aged with a century-old vinegar "mother," as the bacteria that makes vinegar is known, and flavored with a variety of herbs and fruits. Most importantly, Wiedemann and his family run their farm and vineyards with the utmost care, tending to them with natural materials only.

The results make complex and elegant aperitifs, intended to be sipped from a specially designed long-stemmed glass between courses or after a meal. The atmospheric tasting room (think candles, cloaks, and choir music) is like no other you'll ever experience. You'll have plenty of time to explore their enticing gift shop, too.

### FORMULA 1 RACETRACK

Drive to Hockenheim, home of the German Grand Prix. There, a guide will give you an insider's tour of the ring, including the VIP area, the podium, and even the center of the track. The German Grand Prix has not been held here—or anywhere—since 2019, due to a lack of finances that is keeping the future of the German Grand Prix indefinitely in doubt. On tour in the Hockenheimring, however, you'll immerse yourself in the history of Formula 1 racing in Germany from a perspective few fans have ever gotten to appreciate.

*Please note that the site occasionally holds races and other events, in which case this experience will be unavailable.*

### GERMERSHEIM'S HIDDEN GEM

Drive out to the forest for a private tour at a unique old flour mill. Though the silos here are still used to store grain—and the delicious bread you'll get to sample at the end of your visit is evidence of that—the mill itself is no longer active. Instead, it has been transformed into a beautiful little sanctuary by the owner. An avid world traveler and collector, the owner has

filled the inside of the mill with mementos from his expeditions (not trinkets, either, but life-sized Buddha statues, gorgeous photography, and much more). The highlight though, is the award-winning garden he has curated.

## DAY 5 RÜDESHEIM, BOPPARD

Experience Germany's fabled Rhine River in the towns of Rüdesheim and Boppard. Enjoy a private tasting of estate-grown Rieslings at Castle Vollrads, take a stroll through beautiful Boppard, or hike through some of the most beautiful landscapes that line the Rhine.

*This morning, you'll cruise out of Rüdesheim and into the sublimely beautiful and romantic Upper Middle Rhine Valley.*

### Featured Excursions

#### CASTLE VOLLRADS WINE TASTING

Nestled in the rolling, vineyard-covered hills of the Rheingau, Castle Vollrads has a square tower that dates back to the 14th century, as does the moat. Just one family owned the castle for 700 years, until 1997, adding on to it and remodeling it over the centuries. While the interior of the castle is rarely open to the public, you will have the opportunity to step inside to see some of the elegantly appointed rooms, including the beautiful gold-embossed Flemish leather wall covering in the 17th-century dining room. Grapes have been grown here for more than a thousand years; records show that Castle Vollrads wines were first sold in 1211. These days the excellence of its Riesling is well known; it's so well known, in fact, that Schloss Vollrads is one of the few German vineyards whose name stands alone on a wine label—no village name is required. Accompanied by a local wine expert, you will sample three wines in three different locations. There will also be time to wander through the grounds at your leisure.

#### CABLE CAR CLIMB TO NIEDERWALD HEIGHTS

Board an aerial tramway for a cable car trip up to the Niederwald Monument, and be treated to sweeping views of the Rhine River below. From there, you can choose either a half-hour hike through the breathtaking vineyards or you can hop back on the cable car and head into town.

*Only available on sailings that belong to the Generations Program.*

#### BOPPARD STROLL WITH ICE CREAM STOP

Take a quick walk into town with your ship's Family Hosts, stopping at a local ice cream shop for a delicious treat. If you're feeling up to the challenge, you can even attempt ordering the ice cream for yourself in German!

*Only available on sailings that belong to the Generations Program.*

### Choose between...

#### BOPPARD VILLAGE STROLL

Join the Cruise Manager on a walk through this attractive town with a long and surprising history; the Cruise Manager will point out its highlights and recommend a host of activities. Take a chairlift to the top of the hill for a great view of the valley and the river (you can hike the return route, if you're up for it); enjoy a glass of wine at a local tavern and watch the water traffic on the river; or ride a bicycle along the Rhine promenade. You might also visit Saint Severus Church, whose twin towers dominate the waterfront, or explore the remains of a fourth-century Roman fort. If you're interested in design and the decorative arts, stop by the Museum Boppard to see the exhibit on native son Michael Thonet, who developed the technique of bentwood furniture in the 1840s. His iconic, lightweight chairs are still popular in cafés throughout Europe. Or simply stroll beneath the trees along the city's scenic riverside promenade, which is lined with the gorgeous villas of 19th-century entrepreneurs.

### LET'S GO: RHINE HIKING

Set out on a brisk hike up to the Gedeonseck for unparalleled views of the Rhine River Valley. You'll want to bring good shoes for this steep hike up to the top, where you can look upon the picture-perfect riverbend below.

Take a break at the restaurant here if you would like to rest and have a bite on your own. Alternatively, you could join your guide on a brief walk to Vierseenblick, a spot where 4 stretches of the Rhine can be seen, each looking like an individual lake.

Conditions permitting, we'll take the aerial cable car down to the bottom of the hill, so you can relax and enjoy the views a little while longer during the ride.

## DAY 6 BOPPARD, KOBLENZ

Get to know Koblenz, a historic town with a colorful past and eclectic architecture, and enjoy a visit to the stunningly medieval Marksburg Castle. As you come upon picture-perfect Koblenz, you'll sail past Deutsches Eck (German Corner) with its historic monument to Kaiser Wilhelm I.

### Choose between...

#### RHEINSTEIN CASTLE VISIT

Of the dozens of castles perched above the Rhine River, Burg Rheinwein holds a special charm. The castle is over 700 years old, and feels every bit as medieval today as it did all those centuries ago—even the old drawbridge still works! Rheinwein changed hands over the years, coming under Prussian control during Prince Frederick's reign, to which the castle owes its Romantic period refurbishments. Today, it is lovingly taken care of by the Hecher family, who are pleased to invite you in to hear their stories about the castle and admire its well-kept interiors. While you're here, make sure to appreciate the view over the Rhine, it's hard to beat!

#### THE FOUR LAKES CABLE CAR

Boppard sits on the widest loop of the river Rhine, and if you find the right spot, this makes for one incredible view. Take a cable car up to the *Vierseenblick*, a vantage spot with a name that translates to "Four Lakes View." Don't be fooled by the name however, what you're actually

seeing a wide curve of the Rhine River, broken up by rolling hills to create an illusion of four distinct lakes. You'll have a bit of free time to appreciate this incredible sight before riding the cable car back down to Boppard.

## LET'S GO: BIKE ALONG THE RHINE & MOSELLE

Hop on your custom Uniworld bicycle and follow your guide along 12.5 miles of scenic paths. Make your way through the Rhine promenade in Koblenz, head towards the castles of Stolzenfels and Lahneck for an incredible viewing point, and find another great view of the Marksburg shortly after. You'll see the beautiful fishing village of Spay before turning back towards Koblenz, where we'll take a 30-minute break at a local beer garden. While we rest, you can purchase a refreshment if you'd like, and then we'll bike back along the Rhine Cycle Path to return to the ship.

## KOBLENZ WALKING TOUR

Watch the waters of the Moselle meld with the Rhine's as you stand on the spit of land called German Corner: It's the perfect spot for a symbol of German unity, an equestrian statue of Kaiser Wilhelm I, who united the nation in the 19th century. (There's another symbol of German unity here too: three panels of the Berlin Wall.) Behind it is Koblenz's oldest church, St. Castor's Basilica, first erected in the ninth century, and just one of the charming churches and squares you'll encounter as you wander through Old Town. Like many Rhineland towns, Koblenz suffered at the hands of Louis XIV's forces—that's why you'll see so many baroque features in the buildings you pass, since so many needed to be reconstructed after the French left. That's also why the Church of Our Lady has twin onion domes. Despite their travails over the ages, though, Koblenz's citizens kept their sense of humor: One example of it might catch you by surprise as you pass the fountain known as the Spitting Boy, which spits water without warning.

After the tour, you'll have some free time to enjoy the Marktplatz (Market Square) and its bounty of shopping and wine bars.

## CLIMBING FOREST KOBLENZ

Join your dedicated Family Host for an adventure at the Climbing Forest of Koblenz. As you're harnessed safely to ropes and nets, you'll climb an obstacle course through the trees while having fun in the great outdoors with your family members. Far above the ground, you'll enjoy fantastic views in this climbing haven.

*Only available on sailings that belong to the Generations Program.*

## DAY 7 COLOGNE

History buffs will enjoy an expertly led tour through Cologne's Old Town, where three medieval gates remain standing, as does the old city hall with its Renaissance façade. Wander through the city's historical center and take in its charming atmosphere, narrow alleyways flanked by old

houses, and countless breweries. No matter how you choose to explore Old Town, you'll also have ample free time to explore on your own.

*In the evening, a special Captain's Farewell Reception and Dinner will be prepared for you.*

## Featured Excursions

### COLOGNE WALKING TOUR

Follow your guide around some of the most popular sites of Cologne, the largest city on the Rhine. You'll pass the old fish market, City Hall with its Renaissance façade, and the old Jewish mikvah (a bath used for ritual cleansing).

Meander through the narrow, cobbled lanes of Old Town, lined with traditional houses in every color and a plethora of restaurants and pubs. One of the city's 12 Romanesque churches provides a castle-like backdrop to this quaint, riverside quarter of Cologne.

Your local expert will take you all the way to the Domplatte, the square where you'll find the Cologne Cathedral. Should you wish, you can head inside this Gothic building on your own to see the Shrine of the Magi and the beautiful stained-glass windows. Otherwise, try asking your guide for tips on what to explore. Whatever your interests, our local expert knows all the best spots in town!

### GARGOYLES AND CHOCOLATE

What do gargoyles and chocolate have in common? Not much, except that the ones in Cologne are famous. Start with the gargoyles as your walking tour through Cologne takes you past the city's iconic Gothic cathedral, where over 100 stone beasts stand guard. Then end your tour with a sweet treat as we stop at the local chocolate museum.
